

Emerging Economy Multinationals in the Danish Context: Perspectives from China and India

DATE Thursday 11 October, 16:30-18:30

Part of the 6th Copenhagen Conference on 'Emerging Multinationals': Outward Investment from Emerging Economies, this public seminar will explore the presence of emerging economy multinationals in Denmark.

During the seminar, we will hear about some of these companies' internationalization processes, motivations, and experiences (good and bad) and the strategies they plan to deploy for their future development.

Join us for an afternoon with focus on the opportunities and challenges associated with the increasing international presence of companies from emerging economies.
